OBJECTIVE

Enthusiastic and self-motivated individual with adaptability and a positive attitude, eager to embrace continuous learning and innovation.

EDUCATION

Canara Engineering College <i>Bachelor of Engineering in Computer Science (8.22 CGPA)</i>	Mangalore, Karnataka <i>Dec.2022 – Present</i>
Ambika Padavi Poorva College <i>Pre-University Course in PCMB (92.5%)</i>	Puttur, Karnataka <i>Aug.2020 – Aug.2022</i>
Vivekananda English Medium High School <i>SSLC (91.04%)</i>	Puttur, Karnataka <i>Jun.2019 – Aug.2020</i>

TECHNICAL SKILLS

Languages: C, Java
Frontend: HTML, CSS, ReactJS(Basics)
Database: SQL
Developer Tools: Git,VS Code, Eclipse

PROJECTS

GreenGPT-AI powered Carbon Footprint Estimator | — Link

ReactJS, TailwindCSS, NodeJS, ExpressJS *Jul. 2025*

- Built a web application to estimate carbon emissions based on travel distance and transport mode, with real-time AI-generated eco-friendly suggestions using the Cohere API.
- Implemented custom CO2 emission logic and created interactive charts using Recharts to enhance user understanding.

Agri Connect-Assured Contract farming System for Stable Market Access | — Link

ReactJS ,NodeJS ,ExpressJS ,MongoDB(MERN) *Sept. 2024 – Nov.2024*

- Built a web application that enables direct interaction between farmers and companies engaged in contract farming, eliminating middlemen.
- Designed farmer and company dashboards to create, browse, and manage contract opportunities for raw material supply.
- Enabled farmers to access stable market opportunities and ensured companies could identify reliable producers.

COURSES AND CERTIFICATES

- **Web Programming Foundations-Linkedin Learning:** Understood how websites are built using HTML for structure, CSS for design, and JavaScript for interactive features *Mar. 2025*
- **Google AI Essentials-Coursera:** Completed an industry-recognized course covering the fundamentals of AI,including its real-world applications,ethical considerations, and how to interact with AI tools effectively *Feb. 2025*
- **Java Programming Certification:** Certificate of completion of java training from IIT Bombay as a part of Spoken tutorial project *Jul. 2024*
